Dear All – come to experience Cuba on Sunday Oct. 1 after latihan. Rossana Hille will provide a brief history and an up to date account of Susila Dharma Cuba; Mahmud will share his unique perspective and experience as an International Helper and Richard will show slides, music and stories from his 21 days cycling Cuba in May 2017 - to be followed by a potluck lunch.

Hope to see you there!

Espero que pueda unirse a nosotros! 😊

Ricardo
